### Sportsmanship Creed

“This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC.”

This season the Unalakleet team has overcome major adversities. We started the season without one of our best players, and then was missing another great player towards the end, but that didn't phase us. The team maintained a strong fight overall, achieving the 2nd seed in the region and playing to the 5th set, losing only by 2 to a strong Gloving team in the Regional Championship.

## At Home in Alaska

**“Thanks to ASAA and Princess Cruises, my future has been on the right track for years!”**

**- Kathi Porter**

I was born and raised in Alaska, but in high school, I was just as uncertain about the future as my classmates.

Thankfully, I was blessed to participate in several ASAA activities and sports that helped put my future on the right track.

As a participant of East High School Student Government and soccer team, I learned the value of teamwork and proactive participation. Today, as Princess Guest Services Manager for the Anchorage Transportation and Guest Services Division, my life is still right on track.

I'm proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today's young Alaskans with 22 sports and activities to enrich their lives and ensure Alaska's future.

# Evolution of Volleyball in Alaska

State Volleyball had its start as the "Western Alaska Girls Volleyball Tournament" in 1971. Only eight teams attended the first two years. In 1973, the tournament expanded to twelve teams and was hosted by Dimond. Teams were seeded at random because of the different number of games played prior to the tournament. The first ASAA sanctioned State Tournament was held sometime after 1973. Until 1980, the matches were best two out of three.

Starting with the 1985 season, ASAA created separate divisions for the smaller sized schools. Those with enrollments 100-400 now competed for their own championship, while schools below 100 had their own tournament. This changed again in 1987-88 when all schools below 400 competed for one championship. In 1991, both championships were held at the same site for the first time—Bartlett High School—and Lee Johnson was the tournament director.

**Volleyball in Alaska increased in popularity over the next 8 years resulting in a major change.**

For the 1997-98 season, schools in Regions 1 and 2 were grouped into a classification known as 1A-2A. 3A Schools in the North and Western part of Alaska also joined this division as the season was more conducive to their school year and backhaul with wrestling. In addition, a number of small schools who could not

field a full girls team began competing coed in a classification known as "Mixed Six". The coed division began with only four teams qualifying to the state tournament and Golovin winning the Championship. By 2002, the popularity of this new format increased to the point that eight teams qualified out of six conferences.

In 2009, all the 3A-West schools returned to the early fall schedule leaving the 1A/2A schools with the Mixed Six schools. Presently, the 3A and 4A schools season starts in early August and ends in mid-November. The 1A and 2A and Mixed Six Division start in late September and finish in early December.

# WE'RE TEAMING UP!

**Giving all Alaska students the opportunity to join in activities and reach their goals.**

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.

Alaska Commercial Company, serving rural Alaska since 1867

**First National Bank**  
**ALASKA** MEMBER FDIC

## We believe in Alaska's future

Challenges abound as we look to Alaska's future. By taking part in Alaska School Activities Association events, the state's youth prepare themselves for the opportunities that lie ahead.

For more than 25 years, First National Bank Alaska has proudly served as ASAA's Title Sponsor to help support 30,000 high school student athletes and activity participants statewide.

From higher grades and better attendance, to fewer dropouts and higher graduation rates, the value of sports and activities is clear. Together, we are giving our all for a brighter tomorrow.

We believe in Alaska. We believe in you.
