* Congress Finals/Semifinals: The top 5 in each chamber on Day 1 will advance to Finals on Saturday. Places 6-10 in each chamber on Day 1 will advance to "Semifinals" on Saturday. The Final Round (and Semifinal Round) will be divided into two sessions (Session A & Session B) of 1 hour and 15 minutes each. The Chair Judge will see all two-and-a-half ours of debate and fill out a single ballot for that entire period. There will be two wing judges in Session A and two different wing judges in Session B. This gives all contestants a total of 5 ballots in the Final (and "Semifinal") round.

** Any drama or forensics events with 32 or more entries will break to semifinals during the 2:30 round on Saturday. Should an extemp event earn a semifinal round, draw will be held at 2:15 with check in at 2:05. Debaters in semifinals will either debate in the first flight of semifinals (LD & PF) or be one of the last two speakers in extemp semifinals (Policy).

*** Any drama or forensics events with 32 or more entries will hold finals during the 4:00 round on Saturday.

NATIONAL HIGH SCHOOL POLICY DEBATE TOPIC

SURVEILLANCE – Resolved: The United States federal government should substantially curtail its domestic surveillance.

The controversy between national security objectives and privacy became a hot one for debate since it was disclosed in June of 2013 by former defense contractor Edward Snowden (supported by journalist and former debater Glenn Greenwald) that the NSA is engaging in extensive surveillance inside the United States in order to fight crime and reduce the threat of terrorism. The magnitude of the disclosure shocked many people, including elected representatives, who were unaware of the extent of the surveillance. Many civil rights advocates view the surveillance as an assault on liberty while law enforcement and national security officials see the programs as essential weapons in the war on terror, the fight against nuclear weapons proliferation and the general protection of U.S. national security. Possible affirmative cases include establishing general probable cause and reasonable suspicion requirements, banning the collection of metadata, restricting the collection of email or chat content, limiting the amount of time that information can be stored for, elimination of Section 215 of the Patriot Act and FISA Court reforms as they apply to the domestic arena. Advantages will focus on privacy, totalitarianism, commerce and racism. Negative positions can focus on terrorism, nuclear proliferation, crime and critics of reform-based approaches.

Teamwork provides perfect backdrop for working at home in Alaska

I was born and raised in Alaska, and have come to appreciate the amazing natural beauty of the 49th state.

As a high school student, my future was just as uncertain as anyone else, but participation in ASAA activities helped point me in the right direction.

Teamwork, camaraderie, and dedication were valuable skills I learned through participation in East High School's tennis team.

Today, as a Guest Services Supervisor, I put those skills to use everyday. I'm proud to work for a company who sponsors ASAA, and their investment in the future of Alaska's youth.

Over **HALF** of all teen driving deaths involve alcohol. Here are three sobering facts you will never see in a beer commercial:

- 80% of alcohol-related fatalities are caused by beer consumption
- 11,769 impaired drivers **DIED** in 2009, over 700,000 injured.
- **ONE** beer is the equivalent of a shot of 80 proof hard liquor.

WE'RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.

Alaska Commercial Company, serving rural Alaska since 1867

First National Bank
ALASKA MEMBER FDIC

A successful point

For nearly a century, one Alaska bank has believed in Alaska's youth. We're proud to support students in communities throughout the state who value teamwork and the determination to reach new heights.

Congratulations to all 2015 ASAA/First National Drama, Debate and Forensics State Championship participants. Together, we're giving our all for a brighter tomorrow.
