Welcome to the Festival

Welcome to the 2015 ASAA/First National Bank Alaska All-State High School Music Festival.

Our Mission Statement: "The existence of this Music Festival enables outstanding high school musicians to participate as members of a select statewide band, choral or orchestra music ensemble and promotes the highest standards of musicianship. It is the goal of this activity to foster and inspire technical achievement, aesthetic understanding, and critical listening skills that allow for the culmination of a final creative musical performance of the highest artistic level."

Beginning with 972 individual auditions from 52 schools throughout the State of Alaska, the 352 students that you will see and hear this evening represent the finest of Alaska's young musicians. These accomplished young students, taught by 82 dedicated and equally capable school music directors, have gathered for three days of intense rehearsals with four outstanding professional conductors to provide this final concert for you. What a treat you have in store!

It is no small task when trying to gather the participants and to coordinate this weekend's rehearsals and concert. Many, many thanks go to those who have been involved in the process of getting these students from that first audition session to the stage of West Anchorage High School Auditorium in Anchorage, Alaska. Each of these students have been encouraged by a host of parents, music directors, private music teachers, adjudicators, peers, siblings, school administrations and school boards who all realize the power and influence that quality music can have in a young person's life. They have taken that extra effort to insure that this musical experience can continue for yet another generation of young musicians by presenting this concert this evening.

Thank you, thank you!

MUSIC VOLUNTEERS NEEDED

ASAA seeks volunteers to assist the ASAA MUSIC COORDINATOR with the two state music festivals held each year.

The ALL-STATE MUSIC FESTIVAL occurs during the third week in November. This festival showcases the finest of Alaskan musicians in four performing groups- the All-State Band, the All-State Mixed Choir, the All-State Orchestra and the All-State Treble Choir who perform in a Gala Concert after three days of intensive rehearsals with national conductors.

The STATE SOLO and ENSEMBLE MUSIC FESTIVAL occurs during the first week in May. This festival provides an opportunity for outstanding musicians who have received superior ratings at their individual regional music festivals to come to a state level music festival for further competition. One student from each musical category is then selected to perform in a Command Performance Concert at the end of the festival.

Volunteers are needed for: adjudicators, accompanists, preparing packets for directors and students, room and door monitors, festival and concert set-up.

To volunteer or for more information, please contact Cam Bohman, ASAA Music Coordinator, at ASAA 563-3723, or at www.asaa.org.

**Thank you for attending
this evening's**

Since then, he has continued his diverse musical training with an undergraduate degree in Violin Performance and Jazz studies from the Lamont School of Music at the University of Denver.

Luther produced his first CD entitled *Personality* consisting of virtuosic bluegrass music supported by jazz concepts including original compositions. In Los Angeles Luther has played in soundtracks with a few on-screen performances, most notably in *The Soloist*. Luther is in demand as an all-state clinician and guest artist as he is able to teach, perform, and connect classical and folk traditions to all ensemble sizes.

In addition to the Assistant Professor of Viola appointment at the University of Northern Colorado, Luther added Alternative Styles to the string curriculum, making it one of few schools in the nation to offer such program diversity.

Teamwork provides perfect backdrop for working at home in Alaska

I was born and raised in Alaska, and have come to appreciate the amazing natural beauty of the 49th state.

As a high school student, my future was just as uncertain as anyone else, but participation in ASAA activities helped point me in the right direction.

Teamwork, camaraderie, and dedication were valuable skills I learned through participation in East High School's tennis team.

Today, as a Guest Services Supervisor, I put those skills to use everyday. I'm proud to work for a company who sponsors ASAA, and their investment in the future of Alaska's youth.

- Jonathon Taylor
Guest Services Supervisor

A photograph of two young children, likely of Alaska Native descent, smiling warmly at the camera. They are wearing heavy winter clothing, including parkas with large fur-lined hoods. The child in the foreground is wearing a dark parka with a blue fur hood and a blue patterned scarf. The child in the background is wearing a similar parka with a purple fur hood and a purple headband. The background is a bright, clear sky.

WE'RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.
