### Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC."

## At Home in Alaska

**“Thanks to ASAA and Princess Cruises, my future has been on the right track for years!”**

**- Kathi Porter**

I was born and raised in Alaska, but in high school, I was just as uncertain about the future as my classmates.

Thankfully, I was blessed to participate in several ASAA activities and sports that helped put my future on the right track.

As a participant of East High School Student Government and soccer team, I learned the value of teamwork and proactive participation. Today, as Princess Guest Services Manager for the Anchorage Transportation and Guest Services Division, my life is still right on track.

I’m proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today’s young Alaskans with 22 sports and activities to enrich their lives and ensure Alaska’s future.

Over **HALF** of all teen driving deaths involve  
alcohol! Here are three sobering facts you

- 80% of alcohol-related fatalities are  
caused by beer consumption
- 11,769 impaired drivers **DIED** in 2009,  
over 700,000 injured.
- **ONE** beer is the equivalent of a shot of

# Is your future

## going up in smoke?

What if someone offered you a highly addictive, slow-death poison that made you look foolish and insecure? Would you even THINK about trying it?

Cigarette smoke is loaded with toxins and hundreds of harmful additives. It contains much higher levels of carbon monoxide than car exhaust! And the price an average pack-a-day smoker pays to feed their addiction to these toxins is about \$300 a month!

If you are addicted to tobacco, it's never too late to quit. Please get help before your future goes up in smoke.

# Evolution of Soccer in Alaska

Prior to 2000, there was no ASAA sanctioned state soccer championship. Only schools in the Anchorage, Mat-Su, and Juneau school districts played soccer in the spring. Fairbanks schools played fall soccer. Starting in 1982, the Anchorage School District started hosting a State Invitational in which they invited other schools, which had good winning records to an end-of-the-season tournament.

By the end of the 1990, all the schools on the Kenai Peninsula had started high school soccer programs along

with Grace Christian in Anchorage. The growth of the interscholastic soccer programs to 20 schools in three regions warranted a state-level culminating activity. In 2000, ASAA sanctioned an eight-team boys and girls state championship. Three berths were allotted to Region 3 (Kenai, Mat-Su, Grace), one berth to Region 5 (South-east), and four berths to Region 4 (Anchorage). Starting in 2006, the Fairbanks high schools moved their soccer season from the fall to the spring. They received one state berth leaving Anchorage with three berths.

The inaugural ASAA/First National Bank Alaska Soccer State Championships was held at two adjoining fields at Skyview High School in May 2000. Anchorage hosted the 2001 tournaments, and then Wasilla hosted the next three years. After its turn in the valley, the tournament moved back to Anchorage. In 2010 for the first time the tournament was held off the road system in Juneau. Starting in 2011 it once again returned to Anchorage where it is still hosted today.

## Here's the definition of "one for the road."

Over **HALF** of all teen driving deaths involve alcohol! Here are three sobering facts you will never see in a beer commercial:

- 80% of alcohol-related fatalities are caused by beer consumption
- 11,769 impaired drivers **DIED** in 2009, over 700,000 injured.
- **ONE** beer is the equivalent of a shot of 80 proof hard liquor.

Drive as if your life depends on it.

*It does!*
