WELCOME FROM ASAA

On behalf of the Alaska School Activities Association (ASAA) Board of Directors and ASAA's corporate partners, welcome to the 2012 ASAA/First National Bank Alaska State High School Cross Country Running Championships! To the student-athletes, we applaud your dedication to doing your best for yourself and for your school. To the coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And to the spectators, we appreciate your being part of this statewide championship event.

Gary Matthews, ASAA Executive Director

Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC."

SAFER KIDS—DRIVE A SAFER COMMUNITY

Last year our Driving Skills For Life program provided 11,975 teen drivers in the Northwest with the life-saving information and instruction they need to be safer on our roads. Educating teens to save lives—that's what Driving Skills for Life is all about.

DID YOU KNOW?

- Vehicle crashes are #1 killer of teens
- 16-year-olds are 10 times more likely to be involved in a crash than an adult
- Additional passengers increase the risk of a fatal crash for 16- and 17-year old drivers
- You can learn more at DrivingSkillsForLife.com

Scoring & Awards

for High School
Cross-Country Running

Individual Scoring & Awards

Racers are awarded medals based on their order of finish in the race—in the state meet, the top ten in each event will receive an award. In today's events, there will be individual medals awarded to the top 10 finishers, as well as to the seven racers of the top two teams in each category.

Team Scoring & Awards

Team awards are determined by adding up the finish place of the top five runners on a team. For example, if a team has runners finishing in positions 1, 3, 7, 10, 15, 21 and 28 (only 7 racers from each team may participate in a varsity race), then the team score would be $1 + 3 + 7 + 10 + 15 = 36$. In the case of a tie score with a five-person total, the team with the lowest 6th place finisher is declared the winner.

The lower a team's score, the better. A "perfect" score would be 15 where all five runners from one team came across in the first five places.

Today's event will have team awards for the top two varsity teams in each race.

Other Awards

ASAA recognizes a Good Sport Team, chosen from among participating schools with at least five runners. This award recognizes the good citizenship and sportsmanship demonstrated throughout the whole season. Good Sport Team members are selected by each qualifying team's head coach. An Academic Award is presented to the team with the highest GPA.

ON TOP OF OUR GAME

Era Alaska is proud to support the Alaska School Activities Association. Just as students strive to achieve in academics, sports and other extracurricular activities, Era aims to provide the best service and safest flights to more than 100 communities across the state.

Leading Alaska's active teens

At Providence, we believe that active teens become active adults – living happy, healthy lives. Kikkan Randall agrees. She grew up running, skiing and hiking around Alaska. Today, she's America's Olympic cross-country skiing star.

Providence supports Alaska's teens and role models like Kikkan Randall by providing programs and services that encourage healthy lifestyles for all Alaskans.

Providence – you have our word.

Is your future

going up in smoke?

What if someone offered you a highly addictive, slow-death poison that made you look foolish and insecure? Would you even THINK about trying it?

Cigarette smoke is loaded with toxins and hundreds of harmful additives. It contains much higher levels of carbon monoxide than car exhaust! And the price an average pack-a-day smoker pays to feed their addiction to these toxins is about \$300 a month!

If you are addicted to tobacco, it's never too late to quit. Please get help before your future goes up in smoke.

Tobacco is poison. For real.

WE'RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.

Alaska Commercial Company, serving rural Alaska since 1867

For the long run.

Every student athlete you see today has had an opportunity to learn valuable lessons in reaching these championships:

-  The importance of setting attainable goals.
-  The discipline of devising strategies to reach those goals.
-  The value of working with others to accomplish common objectives.

For more than 20 years, First National Bank Alaska has supported the Alaska School Activities Association (ASAA) in its efforts to provide these life lessons. As title sponsor of all ASAA championships, First National hopes to help these future leaders succeed, just as we've been helping other Alaskans succeed for nearly a century.

**Like those you see racing here today,
we're in it for the long run.**
