Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC."

Here's the
definition of
"one for the road."

Over **HALF** of all teen driving deaths involve alcohol! Here are three sobering facts you will never see in a beer commercial:

- 80% of alcohol-related fatalities are caused by beer consumption
- 11,769 impaired drivers **DIED** in 2009, over 700,000 injured.
- **ONE** beer is the equivalent of a shot of 80 proof hard liquor.

Drive as if your life depends on it.

It does!

Teamwork provides perfect backdrop for working at home in Alaska

I was born and raised in Alaska, and have come to appreciate the amazing natural beauty of the 49th state.

As a high school student, my future was just as uncertain as anyone else, but participation in ASAA activities helped point me in the right direction.

Teamwork, camaraderie, and dedication were valuable skills I learned through participation in East High School's tennis team.

Today, as a Guest Services Supervisor, I put those skills to use everyday. I'm proud to work for a company who sponsors ASAA, and their investment in the future of Alaska's youth.

Evolution of Volleyball in Alaska

State Volleyball had its start as the “Western Alaska Girls Volleyball Tournament” in 1971. Only eight teams attended the first two years. In 1973, the tournament expanded to twelve teams and was hosted by Dimond. Teams were seeded at random because of the different number of games played prior to the tournament. The first ASAA sanctioned State Tournament was held sometime after 1973. Until 1980, the matches were best two out of three.

Starting with the 1985 season, ASAA created separate divisions for the smaller sized schools. Those with enrollments 100-400 now competed for their own championship, while schools below 100 had their own tournament. This changed again in 1987-88 when all schools below 400 competed for one championship. In 1991, both championships were held at the same site for the first time—Bartlett High School—and Lee Johnson was the tournament director.

Volleyball in Alaska increased in popularity over the next 8 years resulting in a major change.

For the 1997-98 season, schools in Regions 1 and 2 were grouped into a classification known as 1A-2A. 3A Schools in the North and Western part of Alaska also joined this division as the season was more conducive to their school year and backhaul with wrestling.

In addition, a number of small schools who could not field a full girls team began competing coed in a classification known as “Mixed Six”. The coed division began with only four teams qualifying to the state tournament and Golovin winning the Championship. By 2002, the popularity of this new format increased to the point that eight teams qualified out of six conferences.

In 2009, all the 3A-West schools returned to the early fall schedule leaving the 1A/2A schools with the Mixed Six schools. Presently, the 3A and 4A schools season starts in early August and ends in mid-November. The 1A and 2A and Mixed Six Division start in late September and finish in early December.
