Welcome from ASAA

On behalf of the Alaska School Activities Association (ASAA) Board of Directors and ASAA's corporate partners, welcome to the 2015 ASAA/First National Bank Alaska State High School Cross Country Running Championships! To the student-athletes, we applaud your dedication to doing your best for yourself and for your school. To the coaches, counselors and parents, thank you for continuing to support interscholastic sports and activities. And to the spectators, we appreciate your being part of this statewide championship event.

Billy Strickland,
Executive Director

Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC."

Scoring & Awards

for High School
Cross-Country Running

Individual Scoring & Awards

Racers are awarded medals based on their order of finish in the race—in the state meet, the top ten in each event will receive an award. In today's events, there will be individual medals awarded to the top 10 finishers, as well as to the seven racers of the top two teams in each category.

Team Scoring & Awards

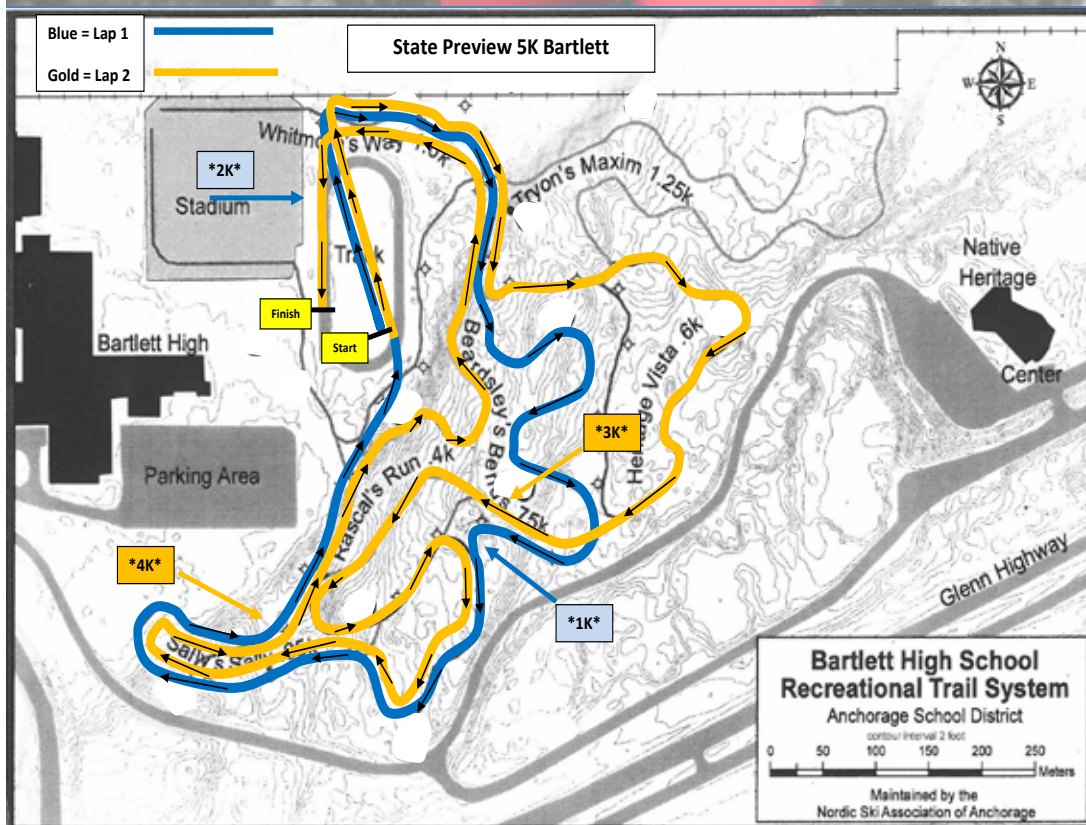

Team awards are determined by adding up the finish place of the top five runners on a team. For example, if a team has runners finishing in positions 1, 3, 7, 10, 15, 21 and 28 (only 7 racers from each team may participate in a varsity race), then the team score would be $1 + 3 + 7 + 10 + 15 = 36$. In the case of a tie score with a five-person total, the team with the lowest 6th place finisher is declared the winner.

The lower a team's score, the better. A "perfect" score would be 15 where all five runners from one team came across in the first five places.

Today's event will have team awards for the top two varsity teams in each race.

Other Awards

ASAA recognizes a Good Sport Team, chosen from among participating schools with at least five runners. This award recognizes the good citizenship and sportsmanship demonstrated throughout the whole season. Good Sport Team members are selected by each qualifying team's head coach. An Academic Award is presented to the team with the highest GPA.

At Home in Alaska

“Thanks to ASAA and Princess Cruises, my future has been on the right track for years!”

- Kathi Porter

I was born and raised in Alaska, but in high school, I was just as uncertain about the future as my classmates.

Thankfully, I was blessed to participate in several ASAA activities and sports that helped put my future on the right track.

As a participant of East High School Student Government and soccer team, I learned the value of teamwork and proactive participation. Today, as Princess Guest Services Manager for the Anchorage Transportation and Guest Services Division, my life is still right on track.

I'm proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today's young Alaskans with 22 sports and activities to enrich their lives and ensure Alaska's future.

**Here's the
definition of
"one for the road."**

Over **HALF** of all teen driving deaths involve alcohol! Here are three sobering facts you will never see in a beer commercial:

- 80% of alcohol-related fatalities are caused by beer consumption
- 11,769 impaired drivers **DIED** in 2009, over 700,000 injured.
- **ONE** beer is the equivalent of a shot of 80 proof hard liquor.

Drive as if your life depends on it.
It does!
