Welcome from ASAA

On behalf of the Alaska School Activities Association (ASAA) and our corporate partners, welcome! Over the next two weekends you'll see how Alaska's passion for the pigskin has given rise to a new level of celebration in high school football. In 2003, ASAA and First National Bank Alaska transformed the state-culminating event into Alaska's ONLY football bowl. This grand tradition continues through the efforts of a dedicated committee, who have organized local celebrities, special events, and in-depth recognition to heighten the excitement and underscore the glory of the game during these championships.

In the spring of 2011 the ASAA Board of Directors approved the creation of a new classification for football, the Medium Schools. The new football classifications are Small Schools (325 and less), Medium Schools (326-800), and Large Schools (801+). The creation of this new division is going to bring

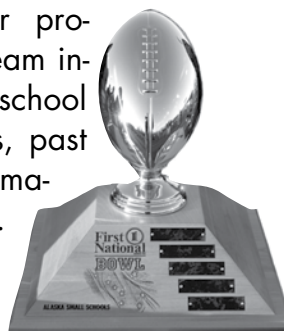

even more excitement to the First National Bowl!

Traveling Trophy

A beautiful, huge traveling trophy for each championship has been donated by First National Bank Alaska. Winners of the large, medium, and small school tournaments will take this trophy home for a year, before it is passed on to the next year's champions.

Special Souvenirs will be available at the Memorabilia Table

- Championship Sweatshirts, caps, and beanies.
- This souvenir program is full of team information, high school football statistics, past champion information, and history.

Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC."

20-Year Flashback – 1993 Dimond State Football Champions

CROWN DIMOND KING

Lynx deny Ravens to win state title

By: Michael Vanausdell
Anchorage Daily News

Redemption for an often-denied team, last second bombs for the defenders of the crown and a state title for an outgoing coach.

Dimond's 20-19 state football championship win over defending champion Eielson had all that and more in front of 3,000 fans at Anchorage Football Stadium Saturday.

For the Lynx, the win erased the painful memory of last year's state playoff nightmare. For Eielson, it will begin a new memory: coming up 37 yards short of winning its 20th straight game.

And for Dimond head coach Danny Stevens, who considered resigning after last season, the championship ended his Lynx coaching career on the happiest note possible.

"This is what I came back for," said Stevens, who will move to Tennessee next week. "I wanted to come back and win the state championship. That was my goal."

But Stevens and the Lynx got the championship – Dimond's first since 1983 – by the smallest of margins. The Ravens, who came into the game hoping to hand head coach Buck Nystrom his 100th career coaching victory, drove 51 yards in the final two minutes of the game, yearning for a game winning touchdown.

Eielson, though, had no timeouts during the entire drive, which ended with quarterback Mike Leonard – who had trouble finding open receivers all day – throwing the ball from the Dimond 37 yard line and over the endzone as the final seconds ticked off.

When the final whistle blew, the Lynx mobbed each other and hugged Stevens, who ended his Lynx coaching career with a 21-19 record.

"It was close," said Dimond senior Korey Klingemeyer, who rushed for 122 yards and two touchdowns. "But that just makes the victory that much sweeter."

The victory tasted like honey to a team that won its first Cook Inlet Football Conference title in nine years last season, but lost to Soldotna in the state semifinals.

This year's team played on the emotion of past disappointments: never forgetting the Soldotna loss nor the 47-14 defeat at Eielson on Sept. 4.

"The guys from last year's team have been calling," said Dimond defensive tackle Jami Lorenz, who had one sack and numerous tackles. "I'm gonna call or write them all now."

One thing that should be included in Lorenz's rundown is that Eielson, a three-time Railbelt Conference champion that's been in the state title game for the past three years, came oh-so-close to taking the game away from the Lynx.

Eielson fullback John Henderson completed a nine play, 62 yard drive late in the fourth quarter with a 1 yard touchdown plunge, cutting Dimond's lead to one point.

The Ravens went for the two point conversion only to come up inches short when Leonard ran the football on a sneak and was stopped at the goal line.

"He's 6-6 and they said he didn't cross the line," said Eielson head coach Buck Nystrom, whose team ended the season with a 10-1 record. "How far can he extend himself?"

Eielson for a second chance on the game's last drive, but it turned into a microcosm of the entire contest. The Dimond secondary – especially Dietrich Moore, Darius Aldridge, and Garland Pittman – kept the Raven receivers covered all day, forcing Leonard to run.

One the last two Eielson drives, Lenoard completed just two of six passes and ran four times. On the last run, the senior rushed for a 7 yard gain with 40 seconds left to give the Ravens a first down at the Dimond 43.

But Leonard couldn't find anybody open on the game's final two plays, ending the game and his wonderful career with two straight incompletions.

"They covered people very well," said Nystrom. "Mike had a hard time to throw, but we had a hard time getting people open."

Eielson also had trouble-stopping Klingemeyer. The 6 foot, 205 pound senior consistently plowed through the Eielson defense like he was possessed.

In fact, Klingemeyer looked like he did have a devil inside him. He and Lorenz – voted the offensive and defensive players of the game, respectively – painted their faces white with black circles drawn around their eyes.

They looked like ghouls.

"It was to get the guys up a little bit," said Klingemeyer. "In a championship game, anything goes."

Halloween is still a week away, but the 8-1 Dimond Lynx can dress up as champions after beating an Eielson squad that hadn't lost since the 1991 state championship game.

The Lynx also pulled off its most ambitious goal: sending their head coach off into the sunset, holding a championship trophy in the air like a cowboy's pistol firing away in celebration.

"I have mixed emotions about leaving," said Stevens. "But it was an exciting game. That's football. There's no better way to leave."

Teamwork provides perfect backdrop for working at home in Alaska

I was born and raised in Alaska, and have come to appreciate the amazing natural beauty of the 49th state.

As a high school student, my future was just as uncertain as anyone else, but participation in ASAA activities helped point me in the right direction.

Teamwork, camaraderie, and dedication were valuable skills I learned through participation in East High School's tennis team.

Today, as a Guest Services Supervisor, I put those skills to use everyday. I'm proud to work for a company who sponsors ASAA, and their investment in the future of Alaska's youth.

10-Year Flashback – 2003 Kenai Kardinals Medium School State Football Champions

KENAI KEEPS TITLE WITH SHUTOUT

Small Schools: Cardinals stop Eielson to repeat as champions

By: Van Williams
Anchorage Daily News

The Eielson Ravens entered the small school football championship riding a five game winning streak and sporting a high scoring offense that averaged 32 points a game.

But it was a different story Saturday afternoon against the Kenai Kardinals. Eielson had difficulty crossing midfield, never mind the goal line.

Kenai's stingy defense and quick strike offense turned the championship game into a mismatch as the Cardinals rolled to a 46-0 victory at Anchorage Football Stadium for their second straight state championship.

Kenai players stormed the field after the final whistle, congratulating each other and raising their helmets into the air. The outcome was never in question, but the players waited until it was official before the party started.

"This is the best feeling of my life," said Kenai defensive lineman Kenny Dormandy.

The Cardinals (9-1) ended the season on a nine-game winning streak. And like last season, when they beat Soldotna 7-0 in the title game, they wrapped things up with a shutout.

"The credit has to go to the kids because they made plays," head coach Jim Beeson said. "It was a great team effort, but we've been doing that all year long."

Kenai owned a 369-71 advantage in yardage and seemed able to score at will, thank largely to the potent tandem of quarterback Cole Chappell and running back Dakota Craig, who combined for six rushing touchdowns, including four by Craig.

Chappell orchestrated Kenai's option-heavy offense beautifully. When he wasn't keeping the ball for large chunks of yardage, he was pitching it to Craig for runs to the outside.

Craig, a workhorse who had 29 carries, rushed for a game-high 176 yards – eight times more than the entire Eielson backfield – and Chappell added 104 yards on 12 carries.

"We got blocks all day long," Craig said. "Big holes."

Chappell and Craig exchanged touchdown

runs in each of the first two quarters to help the Cardinals build a 26-0 halftime lead. Kenai struck quickly, too – all four scoring drives lasted less than 2 minutes, 33 seconds.

Last season, Chappell moved from wide receiver to quarterback just two games before the playoffs. After leading the Cardinals to the state title as a rookie quarterback, there was no doubt who would quarterback Kenai this season.

"He's really developed as a leader in terms of reading what the defenses are doing," Beeson said. "he made some plays today. Running the option, he was phenomenal."

But it was Kenai's defense which set the tone for the blowout, shutting down Eielson's air assault and invading the Ravens' backfield so often that you'd think the Cardinals knew what the Ravens were going to do before the ball was snapped.

"We pretty much knew on every play what they were gonna run," said Craig, who plays linebacker on defense.

A swarming, aggressive defense keyed by seniors Geordon Main and Dormandy, and sophomores Clint Keener and Papapa Nicholas, collected nine sacks, forced seven punts and limited Eielson's offense to just four first downs.

The most telling statistic though, was that the Ravens moved the ball into Kenai territory only once in the final 24 minutes.

"We pride ourselves on defense," Craig said.

Eielson quarterback Evan Skinner, who entered the game as the state's fifth leading passer, was a nonfactor as his arm strength was nullified by a blood thirsty pass rush that regularly chased him from the pocket.

Skinner, a junior, completed just 2 of 11 passes for 49 yards – 60 below his season average – and threw an interception on the final play of the first half.

"That's the most pressure we've seen all year," said Eielson coach Dave DeVaughn, whose team finished with an 8-2 record. "We knew they were coming, but they flat out beat us on the offensive line and the defensive line."

"If you haven't seen it before, it's hard to get used to it in one game. There's no second chance."

Kenai became the second team to defend its state title joining the Nikiski Bulldogs of 2000 and 2001, since the small school playoff system began four years ago.

Beeson, in his 14th season with the Kenai program took about five minutes to savor the title before looking ahead.

"We want to be the first team to win three in a row," Beeson said. "It's never too early to start thinking about next year."

10-Year Flashback – 2003 East Anchorage Thunderbirds Large School State Football Champions

T-BIRDS DANCING HAPPY AFTER STATE TITLE VICTORY

By: Matt Nevala
Anchorage Daily News

Casey Flair, ever the flamboyant front man, started East High's party a little early. He began his dance, a thunderbird flap of the arms mixed with a steady soulful bounce off the Anchorage Football Stadium turf as the final seconds vanished from the scoreboard Saturday in the state football championship.

It didn't take long for the rest of the boys in East's gridiron band to get into the act. Before long, the entire team was bouncing and screaming.

"East-side." "T-Birds."

The grand finale for quite a show. "Not much rhythm, though," Flair said. So what. Champions can close however they want.

The second ranked East High football team overcame its share of adversity en route to claiming the large school state title with a 33-15 win over top ranked Juneau-Douglas. The Thunderbirds (8-2) fell into a double digit hole, lost their leading rusher to injury and trailed for almost three full quarters.

But in the end, they won their seventh straight game, did a little dancing and hoisted their first championship trophy since 1990.

"This group is so much fun," said Roger Spackman, who concluded his fourth season with his first title. "Sometimes, we had to pull them back a bit for having too much fun. I'm so happy. I'm sitting here thinking maybe this isn't a big deal for me, but it sure is for the kids."

Flair, East's star senior wide receiver, and compatriot Derek Laws, the senior quarterback, capped their record-setting careers by hooking up for three touchdowns. Flair caught eight of Laws' nine completions for 102 yards.

But the usually air-heavy Thunderbirds leaned on the legs of backup senior tailback Ozelle Jamestown and senior fullback Hayward Gabourel to grind past Juneau.

Jamestown and Gabourel combined for 204 of East's 272 rushing yards after being pressed into more active duty when Ryan Stickler, who entered the game with a team high 1,089 yards in nine games, sprained his left ankle in the first quarter.

"At the start of our sophomore season, Derek and I told coach we wanted to make a legacy," said Flair, the state's all-time leading receiver in catches and touchdowns. "Tonight we did that, but after three years it wasn't just about Derek and me. It was about everyone."

Stickler's injury came one play after Juneau superback Brian Felix cruised 76 yards to give the Crimson Bears a 15-0 lead.

"When Ozelle checked in I told him it was him and me," said Gabourel, a 5-foot-11, 225-pound mound of lead blocker. "I was going to block hard or run hard. When he got the ball, either way, I was going to do my job."

Jamestown, behind the dominant play of East's offensive line, rushed for a game high 162 yards and two touchdowns.

"Our offensive line played so well, we knew we could almost run at will in the second half," Spackman said. "Ozelle had to deal with some injuries and other things this season, so it's great he is getting some of the glory now."

Jamestown's first touchdown run, a 10-yard run in the third quarter, gave East a 19-15 edge and erased the memories of Juneau's early 15-0 lead. He added a 29-yard scoring run in the fourth quarter.

Juneau, playing in its first title game since becoming a varsity program in 1991, tried everything it could to keep East from running past it. But the Crimson Bears, dealing with Felix's lingering knee injury suffered in last weekend's semifinals and a knock to the knee of all out weapon C.J. Keys in the second half Saturday, couldn't withstand the onslaught.

"Maybe we got too overconfident too quick," said Felix, a junior who ran for 137 yards on 25 carries, but only 61 yards after long, first quarter touchdown. "East have such a good offensive and defensive line and so many good players on the team."

Felix insisted his sprained knee didn't hinder him. "I'm all right, I've got the entire off-season to heal up," he said.

East's defense held Juneau (8-3) to 226 total yards, 139 below its season's average. The Thunderbirds also avenged a 42-18 regular season loss at Juneau.

That and the state title would make anyone get their groove on.

"There is just so much excitement, so much emotion," Flair said. "We had to jump for joy because everything we have done has finally paid off."

WE'RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.

TEAMWORK on display

For more
than 20 years,
First National
has been the
title sponsor
of all high school
championships.

First National Bank Alaska began its partnership with ASAA in 1990, helping bring to life championships like the one you're watching today.

Our support has never wavered. We believe the lessons young Alaskans learn from the teamwork and competition of school activities, including these championships, are positive ones that last a lifetime.

Enjoy today's First National Bowl game. We're proud to be part of the team bringing it to you.
