Welcome from ASAA

On behalf of the Alaska School Activities Association (ASAA) and our corporate partners, welcome! Over the next few weekends you'll see how Alaska's passion for the pigskin has given rise to a new level of celebration in high school football. In 2003, ASAA and First National Bank Alaska transformed the state-culminating event into Alaska's ONLY football bowl. This grand tradition continues through the efforts of a dedicated committee, who have organized local celebrities, special events, and in-depth recognition to heighten the excitement and underscore the glory of the game during these championships.

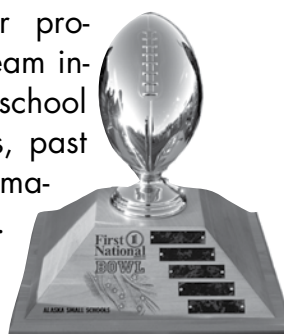

In the spring of 2011 the ASAA Board of Directors approved the creation of a new classification for football, the Medium Schools. The new football classifications are Small Schools (325 and less), Medium Schools (326-800), and Large Schools (801+). The creation of this new division is going to bring

even more excitement to the First National Bowl!

Traveling Trophy A beautiful, huge traveling trophy for each championship has been donated by First National Bank Alaska. Winners of the large, medium, and small school tournaments will take this trophy home for a year, before it is passed on to the next year's champions.

Special Souvenirs will be available at the Memorabilia Table

- Championship Sweatshirts, caps, and beanies.
- This souvenir program is full of team information, high school football statistics, past champion information, and history.

Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC."

At Home in Alaska

"Thanks to ASAA and Princess Cruises, my future has been on the right track for years!"

- Kathi Porter

I was born and raised in Alaska, but in high school, I was just as uncertain about the future as my classmates.

Thankfully, I was blessed to participate in several ASAA activities and sports that helped put my future on the right track.

As a participant of East High School Student Government and soccer team, I learned the value of teamwork and proactive participation. Today, as Princess Guest Services Manager for the Anchorage Transportation and Guest Services Division, my life is still right on track.

I'm proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today's young Alaskans with 22 sports and activities to enrich their lives and ensure Alaska's future.

Leading Alaska's active teens

At Providence, we believe that active teens become active adults – living happy, healthy lives. Kikkan Randall agrees. She grew up running, skiing and hiking around Alaska. Today, she's America's Olympic cross-country skiing star.

Providence supports Alaska's teens and role models like Kikkan Randall by providing programs and services that encourage healthy lifestyles for all Alaskans.

WE'RE TEAMING UP!

Giving all Alaska students the opportunity to join in activities and reach their goals.

Thanks to our loyal customers and committed employees, ACC has grown to 35 retail stores throughout the state. Together with our meat processing plant, North Star Quality Meats, and our wholesale division, Pacific Alaska Wholesale, we strive to meet the food and merchandise needs of the communities we serve.

Sponsoring ASAA provides ACC with great opportunity to extend that same dedication to the youth of our villages.

FIRST and 10 reasons one Alaska bank believes in high school activities

Leadership, teamwork, commitment and hard work: These are just a few of the values that guide teams in their quest for the First National Bowl.

For 25 years, First National Bank Alaska has proudly served as ASAA's Title Sponsor to help support 30,000 high school student-athletes and activity participants statewide.

From higher grades and better attendance, to fewer dropouts and higher graduation rates, the value of sports and activities is clear. Together, we are giving our all for a brighter tomorrow.
