On behalf of the Alaska School Activities Association (ASAA) and our corporate partners, welcome! Over the next few weekends you'll see how Alaska's passion for the pigskin has given rise to a new level of celebration in high school football. In 2003, ASAA and First National Bank Alaska transformed the state-culminating event into Alaska's ONLY football bowl. This grand tradition continues through the efforts of a dedicated committee, who have organized local celebrities, special events, and in-depth recognition to heighten the excitement and underscore the glory of the game during these championships.

In the spring of 2011 the ASAA Board of Director approved the creation of a new classification for football, the Medium Schools. The new football classification are Small Schools (325 and less), Medium Schools (326-800), and Large Schools (801+). The creation of this new division is going to bring

even more excitement to the First National Bowl!

Traveling Trophy A beautiful, huge traveling trophy for each championship has been donated by First National Bank Alaska. Winners of the large, medium, and small school tournaments will take this trophy home for a year, before it is passed on to the next year's champions.

Special Souvenirs will be available at the Memorabilia Table

- Championship Sweatshirts, caps, and beanies.
- This souvenir program is full of team information, high school football statistics, past champion information, and history.

Sportsmanship Creed

"This contest is being played under the authority of the Alaska School Activities Association. ASAA rules provide for fair play and good sportsmanship among athletes and coaches. Since booing and jeering do not support anyone, we expect fans to be positive in supporting their favorite team with encouraging comments and cheers. Please refrain from words or actions that would reflect negatively on your school and team. In other words, BE A FAN—NOT A FANATIC."

"Thanks to ASAA and Princess Cruises, my future has been on the right track for years!"

- Kathi Porter

I was born and raised in Alaska, but in high school, I was just as uncertain about the future as my classmates.

Thankfully, I was blessed to participate in several ASAA activities and sports that helped put my future on the right track.

As a participant of East High School Student Government and soccer team, I learned the value of teamwork and proactive participation. Today, as Princess Guest Services Manager for the Anchorage Transportation and Guest Services Division, my life is still right on track.

I'm proud to work for a company who sponsors the Alaska School Activities Association (ASAA), providing today's young Alaskans with 22 sports and activities to enrich their lives and ensure Alaska's future.

Leading Alaska's active teens

At Providence, we believe that active teens become active adults – living happy, healthy lives. Kikkan Randall agrees. She grew up running, skiing and hiking around Alaska. Today, she's America's Olympic cross-country skiing star.

Providence supports Alaska's teens and role models like Kikkan Randall by providing programs and services that encourage healthy lifestyles for all Alaskans.

Providence – you have our word.

We go further so that you can too.

There are more than 20 brands of cars being sold in America.

How do we make Ford stand out?

Not just with all-electric vehicles that get a projected 100 miles per gallon equivalent (MPGe)¹ but also with a line of gas vehicles equipped with innovative EcoBoost[®] engines – combining power with efficiency.

Our technology will go to work just from hearing your voice plus will practically park and open doors for you?²

And we make this kind of advanced technology available in our cars.

We have to go further than anyone thought we could.
So you can too.

History of Football in Alaska

The first football championships were organized by the Cook Inlet Conference who invited teams which they felt deserved a opportunity to compete for the Invitational State Championships. These invitational continued until 1990 when ASAA set up a qualifying process for the three conferences (Cook Inlet, Railbelt, and Northern Lights) to send teams to an official Alaska State Tournament.

Then as more smaller schools started football programs, a fourth conference called The Greatland Conference was formed in 1997 with four schools (Nikiski, Seward, Glennallen, and Houston). The top two teams in that conference played each other for an unofficial "Greatland State Championship". In 2000, there was a re-shuffling of teams into a Large Schools Division and a Small Schools Division. Teams with enrollments of 850 or less were now classified as "small schools" and a new state championship was held with the winners of the semi-finals of the Northern Lights and the Greatland Conferences.

Presently, there are 31 schools in Alaska with football programs grouped into five conferences based on school size. In 2005, Juneau moved from the Cook Inlet to the Railbelt Conference as the Cook Inlet was adding two new schools (South Anchorage and Eagle River.) Barrow is the most northernmost school to start a football program. They played a non-conference schedule in 2006 and then entered the Greatland Conference in 2007 as a varsity team.

In 2008, Houston moved from the Greatland to the Northern Lights Conference as their enrollment had increased to over 400 students making them a 4A school. And in 2009, Thunder Mountain (Juneau) started football joining the newly formed Southeast Conference along with Sitka and Ketchikan.

In 2008, the small schools expanded playoffs to include quarter-finals. Playoffs for both divisions now

involves quarterfinals with the top four teams in each conference advancing to the semifinals that are hosted by ASAA. Winners advance to the State Championships the next week.

In 2011, the ASAA board approved the creation of one more division, the Medium Schools division, in preparation for the new classification starting in 2012-13 school year.
